

SUBHADIP DAS

Computer Science & Engineering Student

subhadipdas@gmail.com | 9876543210 | Kolkata, West Bengal, India

CAREER OBJECTIVE

Motivated Computer Science student with a strong interest in Python programming, Machine Learning, and Software Development. Seeking opportunities to apply programming and problem-solving skills in real-world projects.

EDUCATION

B.Tech in Computer Science and Engineering

Expected Graduation: 2027

RCC Institute of Information Technology (RCCIIT)

TECHNICAL SKILLS

- | | | | |
|-----------------------|--------------------------------|-------------------------------|----------------|
| • Python | • C Programming | • HTML & CSS | • SQL |
| • Regular Expressions | • Data Structures & Algorithms | • Machine Learning (Beginner) | • Git & GitHub |

ACADEMIC PROJECTS

AI Resume Analyzer

- Developed a Python-based application to extract information from resumes.
- Used Regular Expressions to identify emails, phone numbers, and skills.
- Generated skill-based resume scores.

Student Result Management System

- Developed a C program for storing and managing student records.
- Implemented searching, sorting, and result calculation features.

CERTIFICATIONS

- | | | |
|-----------------------------------|------------------------------------|--------------|
| • Python Programming Fundamentals | • Introduction to Machine Learning | • SQL Basics |
|-----------------------------------|------------------------------------|--------------|

STRENGTHS & LANGUAGES

Strengths

- Problem Solving
- Quick Learner
- Team Collaboration
- Analytical Thinking

Languages

- Bengali (Native)
- English
- Hindi

INTERESTS

- | | | | |
|---------------------------|--------------------|------------------------|---------------------------|
| • Artificial Intelligence | • Machine Learning | • Software Development | • Competitive Programming |
